USATF NEVADA Association 2024 SEASON HAPPY NEW YEAR!

Welcome to the new 2024 track and field season. We are looking forward to the new upcoming season and the greatness that will be shown from the members, coaches, and athletes from Nevada. Safe Sport will be and has been put into effect and has been mandated by the national office and will be ensuring that it is being followed at the different track meets this season.

In the 2023 season we had a lot of achievements with our Nevada youth athletes becoming All Americans in Track and field and also cross country.

Safe Sport

Safe sport is designed for the safety of the athletes, particularly our Youth athletes, and member participants, USATF adopted the Safe sport program in 2014. Safe Sport aims to prevent sexual misconduct and abuse, bullying, hazing, harassment, physical abuse, and emotional abuse, in the sport of track and field, LDR, and race walking.
